

Les établissements qui figurent sur la présente page ont fait l'objet d'une demande d'ajout à la liste des pensionnats indiens reconnus en vertu de la Convention de règlement relative aux pensionnats indiens. Résolution des questions des pensionnats indiens Canada a effectué des recherches à propos de ces établissements et les a évalués en fonction des exigences énoncées à l'Article 12 de la Convention de règlement, afin de déterminer s'ils doivent être considérés comme étant des pensionnats indiens. La décision d'ajouter un établissement à la Convention de règlement ou de ne pas l'y ajouter est énoncée ci-dessous, accompagnée d'une brève justification. Si aucune décision n'est énoncée ci-dessous, l'établissement concerné fait actuellement l'objet d'un examen.

**Veillez noter que, même si une décision a déjà été rendue concernant un établissement en particulier, vous avez le droit de présenter une autre demande à l'égard de cet établissement.** Résolution des questions des pensionnats indiens Canada réexaminera sa décision au sujet d'un établissement en particulier **à la lumière de toute nouvelle information ou pièce justificative que vous êtes en mesure de fournir.** Résolution des questions des pensionnats indiens Canada répondra par écrit à toutes les demandes en s'adressant directement au requérant.

Pour qu'un établissement soit ajouté à la Liste des pensionnats, l'Article 12 de la Convention de règlement stipule que l'établissement doit répondre aux *deux parties* du test es exigences qui suivent :

- i. L'enfant doit avoir été placé dans un pensionnat hors de son foyer familial par le Canada ou en vertu de son autorité pour fins d'éducation; *et*
- ii. Le Canada doit avoir été conjointement ou exclusivement responsable du fonctionnement de l'exploitation du pensionnat et de la garde des pensionnaires (par exemple, l'institution était la propriété du gouvernement fédéral; le Canada agissait en lieu et place des parents; le parent de l'enfant; le Canada était au moins partiellement responsable de l'administration de l'établissement; le Canada inspectait ou avait le droit d'inspecter l'établissement; le Canada avait ou non désigné l'établissement comme un pensionnat indien).

[Le test met donc l'accent sur la présence d'un s exigences sont axées sur l'aspect \*pensionnat\* au sein de l'établissement. L'établissement doit être doté d'un pensionnat, et le Canada doit avoir été conjointement ou exclusivement responsable du fonctionnement e l'exploitation de ce pensionnat.](#)
